

# Myrtle Beach Vacation Homes

The Hoffman Group, Myrtle Beach, SC oceanfront condo specialists, invites you to review the resort condominium properties we represent. We can help you find the best deals in area condos for sale, especially in developer closeout inventory. For market resales, we can help you find the oceanfront condo that will be your perfect vacation home!

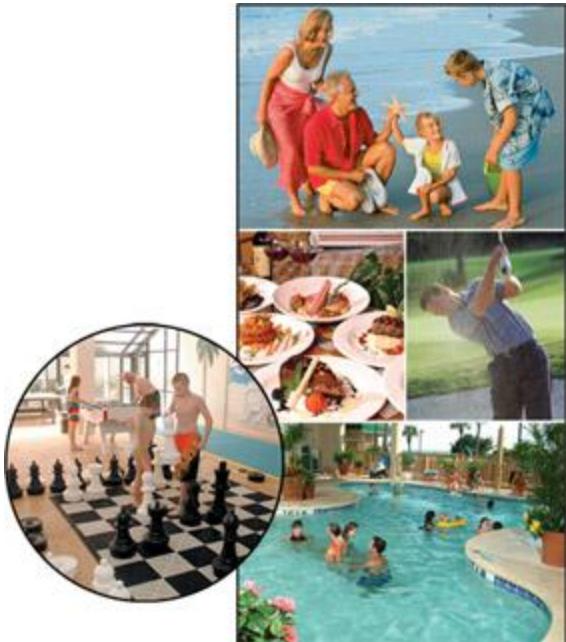

The Hoffman Group is Myrtle Beach's premier OCEANFRONT condominium specialist. Oceanfront condominium sales have been our exclusive focus since 1984. We have led the market in sales for over twenty years and are credited with changing the face of the Grand Strand. With Billions of dollars in sales, and a force of some thirty oceanfront condominium sales specialists, The Hoffman Group will assist you in understanding the market and in identifying the best purchase opportunities available.

The Myrtle Beach market has been explosive and is in the process of significant growth and change. Today it is critical that purchasers identify with the proven development teams that will deliver quality properties in an experienced and integrated manner. These are the properties that The Hoffman Group offers. It is our pleasure to represent these fine developments.

# Myrtle Beach

South Carolina's Grand Strand has become a year-round vacation playground featuring 60 miles of uninterrupted beach. The destination of choice for some 14 million adults and children every year, the area consistently ranks as one of the top family resorts in the nation.

But Myrtle Beach today is more than sun and sand and ocean. Not only can you Jet Ski, windsurf, sail, and kayak, but you can also explore the marshes and mysterious black water rivers in a pontoon craft. With more than 100 championship golf courses and dining at more than 1,650 restaurants, it is a resort destination that rivals any in the world.

# North Beach Towers

The Indigo and Jasmine North Beach Towers is the oceanfront anchor of the North Beach Plantation planned community located at the southernmost end of North Myrtle Beach. The Towers offer Luxury Condominium Residences in 1, 2, 3, 4, and 5 bedrooms. Original pricing starting at \$529,900... **NOW at \$519,900!**

The Hoffman Group is pleased to represent the Avista Resort, a magnificent oceanfront property adjacent to an exclusive residential area in the Ocean Drive section of North Myrtle Beach. Granted Planned Unit Development (PUD) zoning designation so that developers could create a stunning oceanfront condominium resort, the Avista is one of the most.
